Dear Representative Lehe,

On behalf of the Indiana Chamber's PAC, Indiana Business for Responsive Government (IBRG), I would like to extend our endorsement to you. IBRG's mission is to aid in the election of candidates to the General Assembly whose legislative voting record on business-related legislation will improve the business climate in Indiana.

With hard work, an aggressive door to door campaign, and determination IBRG is optimistic that your campaign can and will be successful in the May 6 primary and November 4 general election. Your pro-business views and agenda are deserving of our endorsement and I hope it will aid in your victory.

Please feel free to use this endorsement in any way you choose during your upcoming campaign. If you have any questions, do not hesitate to call me. Again, thank you for your support of business issues and the Indiana Chamber and we look forward to working with you.

Sincerely,

A handwritten signature in cursive script that reads 'Michael R. Davis'.
